Azure Exam Subway Map

If you want to further your certification journey, here is an excellent map that someone put together showing all of the relevant Azure (AZ, DP, SC) exams. I put a green check mark next to any exam for which I have a course, which is about half.

If you want to see a bigger resolution of this map, go here:
https://softwarearchitect.ca/azure-certification-subway-map/

You can see the full-size image and map your next step from there.
